

'Wildlife in your Space'

A photographic competition

The National Gamekeepers' Organisation Educational Trust, funded by 'Spider's Heritage', through donations from the countryside community, invite:

Teachers, Parents, Governors & Friends of your School

to submit, through your school, outstanding entries into a creative **photographic** competition to win a fantastic prize for the benefit of their nominated school

A wonderful opportunity for teamwork to

*Bring a Creative Blend of Nature & Technology
to your School*

The **THREE** winning nominated schools will each receive a 'Nature Educational Package' with well over £ 1,200 of innovative contents to encourage 'in depth' study of the wildlife on your doorstep as part of their studies.

This resource will include specialist cameras, digital microscope, species identity kits, egg incubator, moth trap, full guidance notes and much more, rules of the competition are as follows:- P.T.O.

Conditions of entry

Entries to be no larger than A4

All entries must be clearly labelled with contact details of both the nominated school and the person submitting the entry.

Unfortunately no entries will be returned

All entries must be sent to:-

NGO Educational Trust, PO Box 3360, Stourbridge, DY7 5YG

All entries must be received by Thursday 1st September 2016

The winning entry and near winning entries will be featured on our website.
